KICK-OFF: Work began on October 28th with development of a project plan, outlining steps to be taken through February.

Gathering evidence of local community support, including information that demonstrates interest in, and need for our charter school; benefits to the community; and other evidence of demand that demonstrates a strong likelihood WGES will achieve and maintain its enrollment projections.

- → **Collecting petition signatures:** We are collecting signatures at upcoming community events to demonstrate strong demand and support for growth. 67 signatures from parents and community members affirming support for the school's growth have been collected thus far.
- → Requesting letters of support: Diverse stakeholders asked to provide a letter of support.
- → Hosting town hall meetings and school tours: To share information about the school, gather input and evidence of support. Held on site and at South OKC Chamber, Mexican Consulate, Empower OKC and UCO Para Pipeline Class. First town hall is January 14.

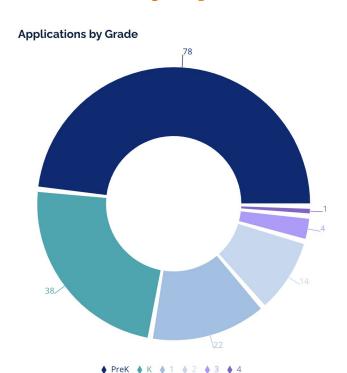

Gathering information to explain how Western Gateway supports and reflects the needs of the community.

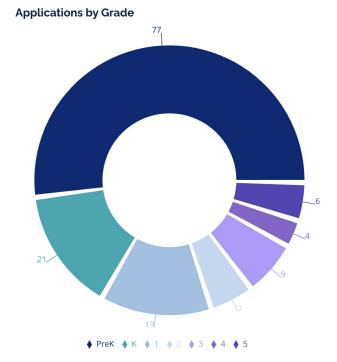

→ **Hosting focus groups (3):** Share expansion plans, gather questions, collect contact information, and identify community strengths, barriers, and support. Participants may include teachers, staff, board members, families, and local community members. Input from diverse stakeholders is essential to understand community needs and perspectives.

Sharing information about the school with the community.

→ **Distributing flyers throughout community:** To gather support, build excitement, invite community to learn more, and recruit eligible students. JACK JENKINS, CPA MICHAEL KEMPER, CPA

December 4, 2024

Honorable Board of Trustees Western Gateway Oklahoma City, Oklahoma

We have compiled the accompanying statement of assets, liabilities, and net assets – cash basis for the Western Gateway as of November 30, 2024, and the related statements of revenues and expenses – cash basis for the five (5) months then ended. Our compilation was performed in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on the cash basis of accounting and the budget laws of the State of Oklahoma, which is a basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting, in the form of financial statements and supplemental information that is the representation of the management. We have not audited or reviewed the accompanying financial statements and supplemental information and, accordingly, do not express an opinion or any other form of assurance on them. However, we did become aware of a departure from the cash and budgetary basis of accounting that is described in the following paragraph.

The regulatory basis of accounting requires a specific format of presentation of governmental funds and the accompanying presentation does not comply with that format. Additionally, fixed assets and any related debt are not included in the statement of assets, liabilities and net assets presented on a cash basis. Any such accounts are reflected in the statement of revenues and expenses as a corresponding receipt and/or expenditure of funds. The effects of these departures on the financial statements have not been determined.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the school's assets, liabilities, net assets, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Western Gateway.

Sincerely,

Jenkins & Kemper

Certified Public Accountants, P.C.

2.4.1 Site Requirements.

Additionally, Client will ensure that the following items are available for conducting sessions: working computers, audio devices, microphone devices, webcams, Internet access, and other equipment required for teletherapy Services.

2.4.2 General Service Materials: TPL to Provide.

TPL shall provide all necessary online materials for the therapy sessions, lessons, and evaluations for Client's students.

2.4.3 Additional, Specific Service Materials: Client to Provide.

From time to time, for therapy services to be most effective, TPL may ask Client to provide additional materials and equipment. These materials may include such items as writing utensils, paper, therapy putty, gym mats, yoga balls, exercise bands, clothespins, and more, depending on the service being delivered. Client shall not refuse any such reasonable requests, and Client shall be responsible for supplying these on-site materials. Further, both Parties will work together in good faith to ensure that students have the materials they need to participate fully and effectively in Services.

2.4.4 School Day and Year.

TPL shall provide Services per the instructional minutes requirements of the state in which Client is located and per the days of service noted on Client's regular school year ("RSY") and extended school year ("ESY") calendars.

2.4.5 IEP Team Meetings.

An IEP team meeting shall be convened at least once annually to evaluate the educational progress of each student receiving Services from TPL. Each of Client's student shall be permitted to provide confidential input to any representative of their IEP team. Except as otherwise specified in this Agreement or by mutual agreement of both Parties, TPL, through an employee or Service provider at its sole discretion, and Client shall participate in all IEP team meetings regarding Client's students to whom TPL is providing Services. At any time during the term of this Agreement, the student's parent/guardian, TPL, or Client may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to TPL to ensure participation of a TPL-appointed employee or Service Provider in the meeting.

Version: 9/5/24 Page **4** of **19**

Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent/guardian, TPL, and Client. TPL, through an employee or Service Provider at its sole discretion, may attend IEP team meetings by phone or videoconference. TPL shall provide to Client assessments and written assessment reports by Service Providers upon request or pursuant to Client's policies and procedures.

TPL shall utilize the approved electronic IEP system of Client for all IEP planning and progress reporting. If needed, Client shall provide training for TPL to ensure access to the approved system. TPL shall maintain confidentiality with respect to IEP data on the approved system and all passwords for the system. When a student disenrolls or ceases receiving Services from TPL pursuant to this Agreement, TPL shall discontinue use of the approved system for that student unless otherwise asked to do so by Client. Changes in any student's educational program—including instruction, services, or instructional setting—provided under this Agreement may be made only on the basis of revisions to the student's IEP. In the event that TPL believes the student requires a change in Services, TPL may request a review of the student's IEP for the purposes of consideration of a change in the student's Services.

2.4.6 Student Progress Reports and Assessments.

On written request by Client, TPL shall provide to Client individual student progress reports, which shall include progress over time toward the student's IEP goals and objectives as they apply to the Services TPL is providing. A copy of any progress reports shall be maintained on TPL's proprietary Provider Portal and shall be submitted to Client within ten (10) days of request. Additionally, upon written request by Client, TPL shall provide access to any supporting documentation used to determine progress on any IEP goal or objective, including but not limited to: log sheets, observation notes, data sheets, pre- and post-tests, rubrics, and other similar data collected to determine progress or lack thereof on approved goals, objectives, or behavior support plans. Client may request such supporting data at any time, and TPL agrees to provide this data within a reasonable time.

TPL shall complete academic or other assessments of the Client's student's goals and objectives applicable to the Services TPL is providing one (1) month prior to the student's annual or triennial review IEP team meeting, for the purpose of reporting the student's present levels of performance at the IEP meeting, as required by state and federal laws and regulations and pursuant to Client's policies and procedures. Supporting documentation such as test protocols and data collection shall be made available to Client upon written request.

TPL is responsible for updating goals and objectives, progress reporting, and development of present levels of performance with respect to the Services TPL is providing. All other assessments shall be provided by Client unless Client specifies in writing a request for TPL assessments that include approved timelines, conditions, and costs. Such assessment costs may be approved separately by Client at its sole discretion. TPL shall not charge the Client's student's parent(s) or guardian(s) for the provision of progress reports or any assessments, interviews, or meetings. It is understood that copies of data collection notes, forms, charts, and other such documentation are part of the student's record and shall be made available to Client upon written request.

2.4.7 Free and Appropriate Public Education (FAPE).

The Parties shall comply with all provisions of federal and state law regarding the provision of a free appropriate public education ("FAPE") for each of Client's students. Client shall provide TPL with a copy of the IEP of each of Client's students served by TPL. In turn, TPL shall provide

Services to each of Client's students consistent with that student's IEP. Unless otherwise agreed to by both Parties, Client shall be responsible for the provision of all appropriate supplies, equipment, and facilities for Client's students, as specified in the student's IEP. TPL shall make no charge of any kind to parents or guardians for Services as specified in the student's IEP.

2.4.8 Consent for Teletherapy Evaluations.

TPL must receive confirmation that informed parental consent has been obtained before TPL can conduct a formal evaluation on any student for which Client has contracted with TPL to provide Services. Client can fulfill this requirement in one of two ways: (1) Client can confirm in writing to TPL that possession of a signed parental or guardian consent form is on file with Client; or (2) Client can furnish TPL with a signed copy of TPL's "Consent to Evaluate" form (a blank Consent to Evaluate form is attached to and made a part of this Agreement as Addendum B). To be valid, any written and signed informed parental consent form must specifically permit evaluation of a student via a secure two-way video platform.

2.5 <u>Due Process Proceedings</u>.

TPL, through an employee, Service Provider, or Subcontractor, at its sole discretion, shall fully participate in special education due process proceedings including mediations and hearings concerning services provided pursuant to this Agreement, as requested by Client. TPL, through an employee, Service Provider, or Subcontractor at its sole discretion, shall also fully participate in the investigation and provision of documentation related to any complaint filed with the appropriate governmental authorities, whether at the federal, state, or local level, concerning Services provided pursuant to this Agreement. Any such participation in due process proceedings or other governmental investigations or proceedings shall be billable services for which Client must compensate TPL.

PART 3 — SERVICE PROVIDERS

3.1 Available Service Providers.

TPL will make available to Client credentialed and qualified Service Providers as required to provide the Services agreed to under this Agreement and the Caseload Information/Selection Sheet.

3.2 Subcontractors.

Client understands and agrees that TPL may subcontract the provision of Services to independent contractors (referred to hereafter as "Subcontractors") who shall have applicable clearances and qualifications to deliver the Services. Therefore, TPL's Service Providers may be either employees or Subcontractors.

3.3 Representations and Warranties Regarding Service Providers.

TPL represents and warrants that all of its Service Providers are duly qualified and licensed to provide the Services agreed to under this Agreement. TPL further represents and warrants that any Service Provider will follow all local, state, and federal laws and regulations and will materially comply with all industry standards and practices that may apply to the provision of Services. If Client requires additional Service Provider licensing, credentialing, or certification beyond that required by law, Client must notify TPL prior to the initiation of Service delivery.

3.4 Non-Solicitation.

Client shall not directly or indirectly, personally or through an agency, contract with, employ, or refer to a third-party employer or contractor (or attempt to contract with, employ, or refer) any TPL employee or Service Provider without TPL's prior written consent (each such action shall be referred

Version: 9/5/24 Page **6** of **19**

to herein as a "Prohibited Solicitation") during the Term of this Agreement and for a period of twelve (12) months after the latest date of introduction, referral, placement, or termination or expiration of the TPL employee's or Service Provider's Service assignment (the "Non-Solicitation Period"). If Client engages in Prohibited Solicitation which causes a TPL employee or Service Provider to terminate or curtail his or her relationship with TPL, Client agrees to pay a solicitation fee of \$25,000 or 35% of the TPL employee's or Service Provider's yearly compensation, whichever is greater (such amount shall be referred to herein as the "Solicitation Liquidated Damages Amount"). Payment is due and payable to TPL upon start date of the TPL team member's employment. The Parties intend the Solicitation Liquidated Damages Amount to constitute reasonable compensation, not a penalty. The Parties acknowledge and agree that the harm caused to TPL by Client's breach with respect to Prohibited Solicitation would be extraordinarily difficult to accurately estimate as of the Effective Date of this Agreement and that these damages are a reasonable estimate of the anticipated actual harm that is likely to arise from such a breach by Client.

PART 4 — HEALTH AND SAFETY

4.1 Clearance Requirements: Background Checks.

TPL shall obtain clearances from the Federal Bureau of Investigation ("FBI") for its employees and Subcontractors, unless TPL determines that the employee or Subcontractor will have no direct contact or interaction with Client's students. TPL agrees that any employees or Subcontractors who will have direct contact with Client's students shall not do so until FBI clearances are obtained. TPL hereby represents and warrants to Client that none of TPL's employees or Subcontractors who may come into contact or interact with Client's students have been convicted of a violent or serious felony.

4.2 Child Abuse Reporting.

TPL and its employees and Subcontractors will adhere to applicable child abuse reporting procedures and requirements as specified by state and federal laws. To protect the privacy rights of all parties involved (i.e., the reporter, the child, and the alleged abuser), reports will remain confidential, as required by law and professional ethical mandates.

4.3 <u>Unlawful Harassment</u>.

TPL shall have and maintain an unlawful harassment policy in place that clearly describes the kinds of conduct that constitute harassment and that are prohibited by TPL, as well as by federal and state law. The policy will include procedures to make complaints without fear of retaliation and for prompt and objective investigation of all harassment complaints.

4.4 Non-Discrimination.

In its performance of its obligations under this Agreement, TPL shall comply with the provisions of all applicable federal, state, and local laws prohibiting discrimination on the grounds of age, race, color, gender, national origin, religion, citizenship, disability, sexual orientation, or veteran status.

4.5 <u>Incident/Accident Reporting</u>.

TPL shall electronically submit any accident or incident report to Client within twenty-four (24) hours of TPL becoming aware of the accident or incident. TPL's submission of such report shall comply with any procedural requirements specified by Client.

4.6 Family Educational Rights Privacy Act (FERPA) Compliance.

TPL shall comply with all laws, rules, and regulations pursuant to the Family Educational Rights and Privacy Act (FERPA). TPL acknowledges that certain information about Client's students is contained in records maintained by TPL and that this information may be confidential by reason of FERPA and

Version: 9/5/24 Page **7** of **19**

Client's policies or procedures. Both Parties agree to protect these records in accordance with FERPA and Client's policies or procedures. To the extent permitted by law, nothing contained herein shall be construed as precluding either Party from releasing such information to the other so that each can carry out its respective responsibilities pursuant to this Agreement.

PART 5 — ADMINISTRATION OF AGREEMENT

5.1 Agreement Administrators.

Heather Zacarias, Head of School and Superintendent, will be Client's main point of contact for TPL with respect to the provisions of this Agreement and the Services covered under it.

Executive supervision of the provision of Services will be provided by **Theresa Grant, Chief Program Development Officer** at TPL.

Notices shall be deemed effective when delivered by certified mail to the following:

5.2 Independent Contractor Relationship.

The Parties acknowledge and agree that the relationship created between TPL and Client is strictly that of independent contractors. Nothing contained herein shall be construed as creating a partnership, joint venture, or employment relationship between the Parties. Each Party shall be responsible for all compensation, salaries, taxes, withholdings, contributions, benefits, and workers' compensation insurance with respect to its own personnel (whether employed or contracted) and shall indemnify, defend, and hold harmless the other Party and its officers, directors, agents, contractors, representatives, and employees from and against any and all liability, loss, damages, claims, causes of action, and expenses associated therewith (including, without limitation, attorney fees) caused or asserted to have been caused, directly or indirectly, by or as a result of same. The provisions of this section shall survive the expiration or early termination of this Agreement.

5.3 Data Reporting.

TPL shall provide Client, upon request, data related to student information and billing information applicable to the agreed-upon Services. It is understood that Client may choose to utilize a specific system for all IEP development and progress reporting. If so, Client shall provide TPL with

Version: 9/5/24 Page **8** of **19**

appropriate software, user training, and proper Internet permissions to allow adequate access to this system. Client shall provide TPL with the approved forms and format for such data, including but not limited to attendance reports and progress reports, as applicable. Client, at its discretion, may approve use of TPL-provided forms.

5.4 Confidentiality of Information Concerning Parties.

Both Parties acknowledge that, as a result of this Agreement, they will have access to confidential information about the other. "Confidential Information" is defined as information that is private to each Party but is shared by one to the other as required to fulfill the terms of this Agreement, and it includes such organizational information as bill rates, fees for services, and the terms and conditions of this Agreement. Both Parties agree that they will not disclose any Confidential Information about the other to any person or entity, nor will they permit any person or entity to use said Confidential Information without prior written consent of the other Party. The only exceptions will be: (a) information shared with appropriate individuals within the respective organizations as necessary to execute this Agreement; and (b) disclosures required by law.

5.5 Confidentiality and Maintenance of Records.

TPL shall maintain records as required by applicable state and federal laws and regulations. For purposes of this Agreement, "records" constitute: student records, including electronically stored information; cost data records; registers and roll books of daily Service Providers; daily Service logs, notes, and other documents used to record the provision of related Services, including by supervisors, instructional assistants, and behavior intervention aides; staff lists specifying credentials held and documents evidencing other staff qualifications, social security numbers, dates of hire, and dates of termination; records of employee training and certification; staff time sheets; liability and workers' compensation insurance policies; documents evidencing financial expenditures; federal and state payroll quarterly reports; and bank statements and canceled checks or facsimiles thereof.

5.5.1 Student Records.

TPL shall maintain Client's student's records in a secure location to ensure confidentiality and prevent unauthorized access. TPL shall maintain an access log for each student's record that lists all persons, agencies, or organizations requesting or receiving information from the record. Such logs shall be maintained as required by state-specific codes and shall include the name, title, agency/organization affiliation, and date and time of access for each individual requesting or receiving information from the student's record. Such logs need not record access to student's records by: (a) the student's parent(s) or legal guardian(s); (b) an individual to whom written consent has been executed by the student's parent; or (c) employees or agents of Client or TPL having a legitimate educational interest in requesting or receiving information from the record.

The Parties shall maintain copies of any written parental concerns granting access to student records. TPL shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. TPL agrees, in the event of its closure, to forward Client's student's records within a reasonable time to Client. These shall include, but not be limited to, any current IEPs or Individualized Family Service Plans ("IFSPs") and reports. Client shall be provided access to or copies of any and all records upon request within five (5) business days. If Client collects benchmarking data at the individual or school level, Client shall provide TPL with this data for the individual students and school served under this Agreement. To the extent not prohibited by Section 5.5 herein or applicable law, TPL may store indefinitely, use, and publish deidentified benchmarking data.

Version: 9/5/24 Page **9** of **19**

5.5.2 TPL's Proprietary Information and Intellectual Property.

Client understands that it may receive proprietary information relating to TPL's business (hereinafter "TPL PI"). Client agrees that TPL PI is confidential and is the sole, exclusive, and extremely valuable property of TPL. In addition, Client understands that it may receive confidential and proprietary information of third parties other than TPL, including but not limited to information and materials relating to assessments, in the course of the provision of Services. To the extent permitted by law, Client agrees that it will maintain the confidentiality of TPL PI and the proprietary materials of third parties to which it has physical or digital access pursuant to this Agreement. Client also agrees that it will not disclose materials relating to an assessment to the student who will be assessed before it is necessary to do so to perform such an assessment. Client's liability for breach of this provision shall not exceed \$20,000.00. However, it is also understood and agreed that money damages alone may not be a sufficient remedy for any breach of confidentiality by Client and that TPL shall be entitled to specific performance, including injunctive relief, as a remedy for any such breach by Client in any court of competent jurisdiction.

5.5.3 Mutual Consent for Shared Information.

The Parties agree that mutual consent is required for the initial publication or distribution of any research or marketing materials, including, without limitation, customer or vendor lists, press releases, and research and case studies mentioning both Parties, but that once this consent is given for initial publication, the Parties may republish such works in their original or reasonably modified form at will.

5.5.4 Allowance of Disclosure.

Notwithstanding any other provision in this Agreement, Client may disclose TPL PI or the existence of this Agreement to the extent required by any applicable law, regulation, or court; provided, however, that prior to making any such disclosure, Client will notify TPL promptly after becoming aware of a request for, or the existence of its obligation to make, such disclosure and will permit TPL to seek to challenge or limit such required disclosure and to review any materials prior to disclosure. Further, each Party may disclose the existence of this Agreement or Confidential Information of the other for the limited purpose of enforcing its rights under this Agreement before a court of competent jurisdiction, provided that such disclosure will be accomplished in such a manner as to protect the rights of the Parties to this Agreement to the maximum extent reasonably possible.

5.6 Modifications Required to Conform to Legal and Administrative Requirements.

This Agreement may be modified or amended by Client, with mutual consent of TPL, to conform to administrative and statutory guidelines issued by any local, state, or federal governmental agency. Client shall provide TPL with: (a) a minimum of thirty (30) days' notice of any such proposed changes or modifications made to conform to administrative or statutory guidelines; and (b) a copy of the statute or regulation upon which the modifications or changes are based.

5.7 <u>Insurance</u>.

TPL shall obtain, pay for, and maintain throughout the term of this Agreement a policy of comprehensive liability insurance naming TPL and Client as the insured parties, with a reasonable company and in a form satisfactory to Client, with coverage in the amounts listed below. TPL shall deposit said policy or a certificate thereof with Client. TPL coverages include:

Version: 9/5/24 Page **10** of **19**

- Medical malpractice insurance covering physical therapy services in the amount of one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000)
- One million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) annual aggregate of professional liability insurance.
- If applicable, Contractor shall also maintain statutory workers' compensation insurance. Contractor shall obtain and thereafter maintain in effect, if available, such additional insurance as may be reasonably requested in writing by Company.
- Cyber liability in the amount of one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000)

5.8 Indemnification and Hold Harmless.

To the fullest extent allowed by law, TPL shall indemnify and hold harmless Client and its board members, administrators, employees, agents, attorneys, volunteers, and subcontractors (collectively referred to hereafter as "Client Indemnitees") against all liability, loss, damage, and expense (including reasonable attorney fees) resulting from or arising out of this Agreement or its performance, to the extent that such loss, expense, damage, or liability was proximately caused by negligence or the intentional or willful act or omission of TPL, including, without limitation, its agents, employees, Subcontractors, or anyone employed directly or indirectly by it (excluding Client and Client Indemnitees).

To the fullest extent allowed by law, Client shall indemnify and hold harmless TPL and its board members, administrators, employees, agents, attorneys, and contractors ("TPL Indemnitees") against all liability, loss, damage, and expense (including reasonable attorney fees) resulting from or arising out of this Agreement or its performance, to the extent that such loss, expense, damage, or liability was proximately caused by negligence or the intentional or willful act or omission of Client, including, without limitation, its agents, employees, independent contractors, or anyone employed directly or indirectly by it (excluding TPL and TPL Indemnitees).

The foregoing obligations are conditioned upon: (a) prompt written notice by the indemnified party to the indemnifying party of any claim, action, or demand for which indemnity is claimed; (b) complete control of the defense and settlement thereof by the indemnifying party, provided that no settlement of an indemnified claim shall be made without the consent of the indemnified party, such consent not to be unreasonably withheld or delayed; and (c) reasonable cooperation by the indemnified party in the defense as the indemnifying party may request. The indemnified party shall have the right to participate in the defense against the indemnified claims with counsel of its choice at its own expense. In no event will TPL be liable for any incidental damages, consequential damages, or any lost profits arising from or relating to this Agreement or to the Services provided pursuant to this Agreement, whether in contract or tort or otherwise, even if TPL knew or should have known of the possibility of such damages.

TPL's cumulative liability relating to this Agreement will not exceed the actual fees paid by Client to TPL during the school year for three (3) months immediately preceding the date on which a claim is made, provided that such amount shall under no circumstances exceed \$10,000. Client acknowledges that this Agreement reflects an adequate and acceptable allocation of risk and that, in the absence of the foregoing limitations, TPL would not enter into the Agreement. Client represents that it is self-insured in compliance with the laws of the state of Oklahoma, that the self-insurance covers district employees acting within the course and scope of their respective duties, and that its self-insurance covers Client's indemnification obligations under this Agreement.

Version: 9/5/24 Page **11** of **19**

PART 6 — FINANCIAL PROVISIONS

6.1 Fees and Payment.

Client shall pay TPL for all Services agreed to by the Parties in accordance with Section 2.2 of this Agreement; provided, however, that Client shall not be obligated to pay for any Services that TPL agreed to provide but failed to provide in accordance with this Agreement.

6.2 Financial Representations and Warranties of TPL.

TPL represents and warrants to Client that TPL has sufficient financial resources to responsibly deliver the Services in accordance with its obligations under this Agreement and will distribute those resources in such a manner to properly implement the IEP for each student of Client receiving TPL-provided Services. TPL shall comply with all applicable Client policies and procedures concerning enrollment, contracting, service tracking, attendance reporting, and billing, provided Client provides such policies and procedures to TPL promptly after execution of this Agreement.

6.3 Financial Representations and Warranties of Client.

Client represents and warrants to TPL that is has sufficient financial resources to compensate TPL for all contracted Services under this Agreement.

6.4 Billable Services.

In addition to the Services requested by Client, the following services, if provided by TPL, are included in the billable Services for which Client must pay, as they are intrinsic to and necessary for competent provision of the Services requested by Client:

- Delivery of clinical and therapy Services, which includes all of the tasks and duties intrinsic to delivery (including but not limited to scheduling, student recordkeeping, consultations, collaboration with school staff, progress report writing, parent contact, and service coordination). NOTE: Client will not be billed for session preparation time (i.e., directtherapy lesson planning time) nor the session treatment note.
- Case management (for speech-language therapy only).
- Attendance at and participation in IEP meetings and other school-district-mandated meetings.
- Bilingual and translation services.
- Administered assessments, evaluations, and screenings (including pre- and postassessment and intervention services, initial and triennial assessments, and disciplinespecific screenings).
- Review of records, parent interviews, and teacher interviews (i.e., a cumulative file review for a student, including medical, educational, and social development histories, as well as current parent and teacher interviews).

6.5 Invoicing Procedures.

6.5.1 Accuracy of Billed Service Time.

To ensure the accuracy of Services billed to Client, session time and attendance shall be systematically documented in the TPL Provider Portal on a daily basis by each student's assigned Service Provider. Upon written request by Client, TPL shall make this data available to

Version: 9/5/24 Page **12** of **19**

Client for review, inspection, or audit by Client during the Term of this Agreement and for a period of five (5) years thereafter.

6.5.2 <u>Itemization of Services</u>.

TPL shall have discretion regarding whether services are itemized on its invoices, and if services are itemized, the level of detail regarding itemization, unless Client requests itemization. Client may request that invoices contain itemization of services and details as follows:

- Month of service.
- Specific days and times of services coordinated by the Client-approved calendar, unless otherwise specified in the IEP or agreed to by Client.
- Name of TPL therapist, sub-contractor, or staff member who provided the service.
- Name or initials of each student receiving services.
- Indication of any made-up session(s) consistent with this Agreement (see table in Section 6.7 below).
- Indication of any missed or cancelled session fees, in accordance with Section 6.5, below.
- Cost of each service.
- Total for each service and total of monthly invoice.
- Date invoice was submitted.

6.5.3 <u>Invoicing and Payment Timeframes</u>.

TPL shall submit invoices to Client within forty-five (45) days of the end of the accounting period in which the services were rendered. Client shall pay the amount due on the invoice to TPL within forty-five (45) days of the invoice date. Invoices shall be submitted electronically, unless TPL and Client agree upon an alternate method of submission.

Initial payment claim submission for any fiscal year (July through June) shall not extend beyond the following June 30th after the close of the fiscal year, and any rebilling for the fiscal year shall not extend beyond twelve (12) months after the close of the fiscal year; provided, however, that there shall be no time limit if a billing or rebilling error is due to an error of Client and TPL has communicated concerns regarding such error to Client in writing during the 12-month period following the close of the fiscal year.

6.5.4 Late Payments.

Invoices for which payment is late shall accrue interest at the lesser of two percent (2%) per month or the maximum rate permitted by law, from the due date until date paid, plus TPL's reasonable costs of collection. If Client refuses to pay, TPL reserves the right to withhold all Services until all outstanding invoices are paid in full. If Client believes that TPL has billed Client incorrectly, Client must inform TPL in writing of the alleged incorrect billing no later than fifteen (15) days after receipt of the invoice, and the Parties shall work together to promptly correct any errors. If Client does not receive notice of any errors within fifteen (15) days, the invoice shall remain due forty-five (45) days from the invoice date.

6.5.5 Fees Not Refundable.

All fees due for services provided by TPL under this Agreement are nonrefundable and are not contingent on provision of any additional services.

Version: 9/5/24 Page **13** of **19**

6.6 Payment from Outside Agencies.

TPL will not bill Medicaid or any other agency for the costs associated with the provision of services to Client's students. If Client bills Medicaid or any other agency for the costs associated with TPL's provision of services to Client's students, Client shall provide training to TPL's Therapists, Subcontractors, Service Providers, and staff for purposes of proper documentation regarding reports, billing, and payment required by Medicaid or any other agency for such services.

6.7 Cancelled/Missed Sessions.

TPL is aware of and sensitive to the unfortunate but very real issue of student absenteeism. Therefore, TPL strives to be as flexible as possible by providing a liberal policy on cancelled or missed sessions (see table below) that aims to minimize the number of missed or cancelled sessions for which Client must pay. This policy is intended to be fair to both Parties, in light of the fact that TPL contracts with therapists and other service providers and must consider their allocated session times and preexisting treatment commitments. Therefore, the table below governs which cancelled or missed sessions Client is and is not required to pay for.

Term	Policy	Client Charged?
Cancelled/Missed Session	When more than 4 hours' notice is given to TPL that the student is unable to attend.	No
Absence (i.e., Refusal of Service or No-Show)	When less than 4 hours' notice is given to TPL that the student is unable to attend.	Yes (Final cost to district is based on the predetermined session length.)
Habitual Nonattendance	Defined as 3 cancelled/missed sessions or 3 absences per student, per semester (barring any extenuating circumstances previously agreed upon between TPL and Client).	Yes (Once criteria are met. Final cost to district is based on the predetermined session length.)

PART 7 — TERMINATION & BREACH

7.1 <u>Termination; Material Breach</u>.

This Agreement may be terminated under the following circumstances:

- **7.1.1 By Mutual Agreement.** Prior to the expiration of the term by mutual agreement of the Parties by written notice one hundred and fifty (150) or more days prior to the desired end of service date.
- **7.1.2 For Material Breach.** This Agreement may be terminated by either Party if the other Party fails to perform any material obligation or otherwise materially breaches this Agreement. For purposes of this Agreement, the term "material breach" generally has the meaning given to it under governing state law and generally means a serious breach that substantially defeats the purpose of the Agreement, or that relates to an essential element of this Agreement, and that deprives the injured Party of the benefit that the Party reasonably expected such that the non-breaching Party would be justified in abandoning

Version: 9/5/24 Page **14** of **19**

the contract. By way of example, if a TPL Therapist or other Service Provider fails to attend a teletherapy session due to illness or inclement weather, such failure to attend that session shall not constitute a material breach by TPL; conversely, if Client chooses at any time during the Term of this Agreement to hire its own service provider directly or through a third-party to provide the Services that TPL was originally contracted to provide and Client no longer requests services from TPL and fails to provide the required 150-day notice, that action shall constitute a material breach of this Agreement by Client. Additionally, any unilateral termination of this Agreement by Client for any reason other than the material breach of TPL shall constitute a material breach by Client.

In order for an action to be considered a material breach entitling the non-breaching Party to terminate this Agreement and pursue remedies under Section 7.4, below, the non-breaching Party must notify the breaching Party of the breach within thirty (30) days of the non-breaching Party becoming aware of the breach. The breaching Party shall then have fifteen (15) days in which to cure the breach. If the breaching Party fails to cure within fifteen (15) days, then such failure shall constitute a material breach of this Agreement and the non-breaching Party may terminate this Agreement pursue remedies under Section 7.4, below.

Notwithstanding the foregoing provisions of this Section 7.1.2, TPL may immediately terminate this Agreement and pursue remedies under Section 7.2, below, upon written notice to Client by TPL, in the event that Client requests or engages in any action which TPL deems to be unethical, illegal, or otherwise not conforming with the professional standards expected in the therapy professions.

7.2 Remedies.

Upon the termination of this Agreement for any reason, all amounts owed by Client to TPL having accrued prior to termination shall be due in accordance with the provisions of Section 6.5 of this Agreement, above.

Upon the termination of this Agreement by mutual agreement of the Parties, and unless a different arrangement is agreed to in writing by the Parties, Client shall only owe TPL for Services through the termination date, and Client shall not owe TPL for any Services that, but for the termination, would have been provided for the remainder of the Term.

In no event will TPL be liable for any incidental damages, consequential damages, or any lost profits arising from or relating to this Agreement, or the Services provided hereunder, whether in contract or tort or otherwise, even if TPL knew or should have known of the possibility of such damages. TPL's cumulative liability relating to this Agreement shall not exceed the actual fees paid by Client to TPL during the school year for three (3) months immediately preceding the date on which the breach occurred; provided that such amount shall under no circumstances exceed Ten Thousand Dollars (\$10,000.00). Client acknowledges that this agreement reflects an adequate and acceptable allocation of risk and that in the absence of the foregoing limitations TPL would not enter into this Agreement.

PART 8 — MISCELLANEOUS

8.1 Entire Agreement.

This Client Service Agreement, together with any documents incorporated herein by reference, constitute the entire understanding between the Parties.

Version: 9/5/24 Page **15** of **19**

8.2 Severability.

The provisions of this Agreement are severable. If a court determines any provision of the Agreement to be illegal or unenforceable in any way, the remaining provisions will remain in full force and effect. It is the intention of the Parties that the Agreement be enforced to the fullest extent permitted by law.

8.3 No Waiver.

A waiver of a breach of any term of this Agreement will not be considered a waiver of a further breach of the same term or a waiver of a breach of any other term.

8.4 Amendment/Modification.

The Parties can amend this Agreement only by a written document signed by both Parties.

8.5 Non-Assignment.

Unless otherwise permitted herein, a Party cannot assign this Agreement or any right or obligation under this Agreement without the written consent of the other Party.

8.6 Successors and Assigns.

If this Agreement is properly assigned, then it will bind and benefit the successors and assigns of the Parties.

8.7 Titles and Headings.

Titles and headings are inserted in this Agreement for reference purposes only and must not be used to interpret the Agreement.

8.8 Attorney Review.

The Parties: (1) have consulted with their attorneys; (2) have read and understood the Agreement; and (3) sign the Agreement on their own free will.

8.9 Counterparts.

This Agreement may be signed in one or more counterparts, and each counterpart will be considered an original Agreement. All of the counterparts will be considered one document and become a binding agreement when one or more counterparts have been signed by each of the Parties and delivered to the other.

Recommendation: Postpone Approval Until After Completion of Medicaid Audit

Background: The Oklahoma Health Care Authority (OHCA) is currently auditing 12 school districts to assess Medicaid billing and reimbursement processes. Of these districts, 6 are clients of Public Consulting Group (PCG), while the other 6 handle billing independently. The audit is expected to be completed by January.

Current Medicaid Reimbursement Status:

- Our school has approximately **18 students eligible** for Medicaid reimbursement for Occupational Therapy (OT) and Speech services.
- This could result in an estimated **\$7,500** in reimbursements (FMAP), assuming 100% parent consent is obtained.
- The 24-25 WGES purchase order for Speech and OT services is \$60,000.
- **FMAP Rate:** The current FMAP rate is **68.02%** (updated annually in October).
- PCG Fees: PCG charges a 10% fee based on the district's portion of the FMAP.

Speech and OT Services Budget for 2024-2025:

• The 24-25 WGES purchase order for Speech and OT services is \$60,000.

This figure reflects the cost of providing these services to eligible students, but the actual reimbursement we receive could help offset a portion of this expense.

Upcoming Billing Changes:

- PCG will soon begin billing for additional services, including:
 - Counseling
 - Nursing
 - Personal Care Services
 - Plans of Care such as Individual Health Plans (IHPs), Behavioral Health Plans, 504 Plans, and others.
- If the school participates in Medicaid Administrative Claiming (MAC), it could generate an additional **\$2,500–3,000** in reimbursements.

Recommendation: Given the ongoing OHCA audit and the upcoming changes to Medicaid billing processes, it is recommended that the board **postpone approval** of any decisions related to Medicaid billing or reimbursement participation until after the audit is completed and we have further clarity on potential changes or additional revenue. This will allow the district to make informed decisions based on the final audit results and the most up-to-date information.

Next Steps:

- Await completion of the OHCA audit by **January**.
- Review the findings of the audit and assess the impact on our Medicaid reimbursement process.
- Consider participation in new billing opportunities, including MAC, once we have complete information.

Conclusion: Postponing approval until after the audit will ensure that the school district is fully informed about any potential changes or impacts to Medicaid reimbursements and services.

WESTERN GATEWAY ELEMENTARY SCHOOL COMMUNICATIONS POLICY

This Communications Policy is intended to ensure that communications between Western Gateway Elementary School ("WGES") Board of Directors, staff, WGES families, and other interested members of the community are handled appropriately and in a manner that best serves WGES.

The WGES Board recognizes that potential problems and conflicts can be avoided by having a clear policy that addresses both internal and external communications. It is also important that the roles and responsibilities of the Board and staff are outlined to facilitate effective communication between and among the Board, staff, families, and other parties. All Board members and staff are expected to be courteous in all communications.

As general guidance, it is important that the Board speaks with one voice or not at all. This does not imply that there has to be unanimity or lack of diversity, but when a vote is taken or a policy developed, each member of the Board acts and supports the decision made, until it is changed by the Board.

Communications between Board Members at Meetings of the Board

Board members should communicate in an open and constructive manner during meetings of the Board and committee meetings. Board members shall not use inappropriate language, body language, or verbal tone during their debate of the issues. Any actions or comments designed to insult, demean, or attack any member of the Board, staff or general public shall be strictly prohibited. Board and committee members shall not discuss or communicate confidential proceedings of the Board outside the meeting, this prohibition includes e-mail, texting, anonymous posting on social media or other internet platforms, and other forms of communication.

WGES Board meetings are public, and Board and WGES staff shall be courteous and welcoming to invited guests and any members of the community who choose to attend Board meetings.

Communications between Board Members Outside of Meetings of the Board

Any Board member may contact the Board Chairperson, or in their absence or unavailability, the Vice-Chairperson, regarding issues of interest or concern to WGES. Board members are to contact the Board Chairperson if they wish to have specific issues discussed by the Board, so that these items can be added to the Board meeting agenda.

The WGES Superintendent will be responsible for drafting and publishing an agenda of items to be discussed at the Board's regularly-scheduled meetings, in accordance with all applicable Open Meeting requirements. The WGES Superintendent will provide the agenda to the Board's designated liaison for comment and approval of the agenda, in advance of the statutory publication deadline. Once the agenda has been approved by the Board liaison, it may be posted and published in accordance with the Oklahoma Open Meetings Act.

Communications between WGES Community and Board Members

WGES is appreciates and encourages open communication between the WGES community and the WGES Board. All Board meetings are open to the public, and WGES community members are encouraged to attend if they choose.

If there are any concerns regarding the WGES community, student incidents or issues that took place on school premises or that involve members of the school community, facility safety or maintenance issues, or any other issues that need to be considered and/or addressed at governance meetings, WGES community members are encouraged to reach out to the WGES Board at the email address posted on WGES' website.

Any WGES community member who wishes to address an agenda-related topic at a regularly scheduled business meeting are required to complete a Public Comments Sign-up Form before the Board meeting convenes. These forms will be available in the office and must be submitted to the Superintendent before the meeting convenes. Public comments must pertain to a topic listed on the agenda for the meeting when comments are made.

Communications between WGES Staff and Board Members

WGES is best served through open communication between WGES staff and the WGES Board. The Superintendent will demonstrate accountability and transparency by proactively and timely providing the Board all data and information relevant to the School's mission, without waiting for such information or data to be requested.

Such relevant information that should be proactively provided by the Superintendent includes, but is not limited to, all school testing data; enrollment/disenrollment information; grievances by staff, families, or other members of the WGES community; significant student disciplinary incidents or issues, any incident reports or information about incidents that took place on school premises or that involve members of the school community that may involve press inquiries, notification to WGES' insurance carrier, and/or require no a risk-management response; staff employment decisions (hiring, termination, notable disciplinary matters); facility safety or maintenance issues, and all similar data and information that may help educate Board members as to issues that need to be considered and addressed in governance meetings.

If a Board member needs substantive information or assistance to conduct due diligence regarding the administration of WGES, their primary contact will be the Superintendent. Board members may contact other members of the WGES administrative staff directly, as they deem appropriate.

The Superintendent will communicate with the Board Chairperson and other members of the Board between meetings, if and when issues arise that require immediate attention.

If the Superintendent or member of the WGES staff experiences any issues or problems with a WGES Board member, the Superintendent should immediately alert the Chairperson, unless the Chairperson is the problem, in which case the Superintendent may alert the Vice-Chairperson or another officer.

Communications between WGES Staff and an External Third Party

If the WGES Superintendent or other member of staff is asked to make a presentation to external groups, the staff member must indicate that he or she is not speaking on behalf of WGES, unless they have specifically been authorized to do so by the Board. WGES staff shall be respectful of the Board, its policies, and its decisions in all external communications, even if the WGES staff member disagrees with the Board's decision(s).

To ensure accuracy of WGES materials which are prepared by WGES staff for publication, adoption as a school policy, plan or procedure, grant application, accreditation, reporting to any state or federal entity,

and/or general distribution, and to avoid any conflicting messages or appearance of conflicts, the WGES Superintendent and staff must provide all such draft materials to the Board prior to a regularly-scheduled Board meeting (or emergency Board meeting, if necessary) for review and approval prior to distribution or publication to any third party.

Communications between a Board Member and an External Third Party

If a Board member is asked to make a presentation to external groups, the Board member must indicate that he or she is not speaking on behalf of WGES, unless the Board member has specifically been authorized to do so by the Board. Board Members shall be respectful of the Board, its policies, and its decisions in all external communications, even if the Board member disagrees with the Board's decisions.

To ensure accuracy of materials related to WGES which are prepared by Board members for publication or general distribution, and to avoid any conflicting messages or appearance of conflicts, Board members should generally provide such materials to the Board for review and approval prior to internal or external distribution or publication.

Communications between Board Members/Staff and the Media

In general, the Superintendent and the Board Chairperson or their designee are the only two individuals authorized to speak on behalf of WGES. The primary media contact for WGES will be the Superintendent. When a statement from the Board is required, the Board Chairperson will serve as the spokesperson for WGES. If the Board Chairperson is unavailable, the Chairperson will appoint a liaison to serve as the spokesperson.

Should the media inquiry be regarding a crisis of any sort, Board members and WGES staff will refer all media inquiries to the Board Chairperson and Superintendent, who will work together to respond to the crisis
